Dear Mr. McCoy,

Attached, please find a follow-up letter to our Sept. 28, 2020 letter regarding the EIA Pebble Tapes, along with two of three attachments (Attachment #1, a pdf of the news release from EIA via its website, and Attachment #3, EIA transcripts of the video recordings). Attachment #2 contains the EIA video recordings between EIA and Ron Thiessen, CEO of Northern Dynasty Minerals. These files are too large to be included as an attachment to this email. We will also be sending you a hard copy of the letter with a USB flash drive that includes all three Attachments. If you have any questions, please feel free to contact me at your convenience.

Sincerely, Brian Litmans
